

Guest Post Information and Guidelines for MoneyMakingMommy.com

Last Updated 2018

MoneyMakingMommy.com was created in 1999. A pioneer for “mommy blogs” way before they were common. In that vein, original, super-current, informative content is always considered. The focus of the site is to share legitimate ways to work from home and make money & save money from home. That being said – there is no tolerance for pie-in-the-sky, get-rich-quick, pyramid types of scams and schemes.

As well – guest posts from businesses are typically not accepted. We understand wanting to promote your business – therefore we do offer very affordable advertising options that you can learn more about [here](#).
